The Board granted Local 832 additional time until September 5, 1974 to present sufficient proof of interest in the appropriate unit to warrant the holding of an election. The Decision further provided that if no such sufficient proof was timely presented to the Board, the petitions of Local 832 herein would be dismissed and a joint certification would be issued on the basis of majority dues check-off authorization in the appropriate unit.

Local 832 has not submitted the proof of interest required by Decision No. 38-74, and its time to make such a submission has expired. The Board has determined that a substantial majority of the employees in the consolidated unit found appropriate in Decision No. 38-74 have authorized
