ORDER CONSOLIDATING CERTIFICATIONS

On November 16, 1977, the Board of Certification issued its  
Decision No. 29-77 herein, which

DETERMINED, that the employees in Certification 46J-75 (as  
amended) and the employees in Certification 50-71 and 51-71  
together constitute a unit appropriate for purposes of collective  
bargaining. . . .

The Board also found that

an overwhelming majority of the employees in unit 46J-75 (as  
amended), including the additional Project Development

coordinators, will be on [voluntary] dues check-off to Local 375. Therefore, in accordance with our procedures, the majority representative of the unit may be determined upon majority dues check-off.

However, because the NYCSURC had suggested that the supervisors covered by Certification No. 51-71 retained their desire for a separate supervisory unit, the Board also

DETERMINED, that the NYCSURC may submit to this Board, within thirty days of receipt of this Order, a petition for a supervisory unit supported by proof of interest amounting to 30% of the employees in the potential supervisory unit . . .

Since NYCSURC has not submitted such a petition, and the time to do so has expired, we shall now consolidate the cited Certifications.

O R D E R

NOW, THEREFORE, pursuant to the powers vested in the Board of Certification by the New York City Collective Bargaining Law, it is hereby

ORDERED that Certifications 50-71, 51-71 and 46J-75 (as amended) be, and the same hereby are, combined and consolidated so as to constitute one bargaining unit (to be cited by the present Decision Number), consisting of the titles set forth in the Appendix to this Order; and it is hereby

Decision No. 34-77  
Docket No. RE-69-76

4

CERTIFIED that Civil Service Technical Guild, Local 375, District Council 37, AFSCME, AFL-CIO, is the exclusive representative for the purposes of collective bargaining of all employees in the consolidated unit.
