AMENDED DIRECTION OF ELECTION

In Decision No. 29-79, dated December 13, 1979, we directed an election among police employees working in the titles Field Training Specialist, Technical Skills Specialist, Crime Prevention Specialist, Community Affairs Specialist, and Field Services Specialist in order to determine the unit placement and collective bargaining representative of the employees. Because this controversy only concerns whether the employees are to be placed in the bargaining unit represented by the Patrolmen's Benevolent Association or in the bargaining unit represented by the Detectives' Endowment Association, we amend the order of election heretofore issued in this matter only to remove the choice on the ballot of representation "by neither" which was inadvertently included in the first "Directed" paragraph of Decision No. 29-79.

AMENDED DIRECTION OF ELECTION

Pursuant to the powers vested in the Board of Certification by the New York City Collective Bargaining Law, it is hereby

DIRECTED, that as part of the investigation authorized by the Board, an election by secret ballot be conducted under the supervision of the Board, or its agents, at a time, place, and during hours to be fixed by the Board, among police officers employed by the Police Department of the City of New York in the titles Field Training Specialist, Technical Skills Specialist, Crime Prevention Specialist, Community Affairs Specialist, and Field Services Specialist during the payroll period immediately preceding this Direction of Election, other than those employees who have voluntarily quit, retired, or who have been discharged for cause before the date of the election, to determine whether they desire to be represented for the purposes of collective bargaining by the Patrolmen's Benevolent Association, and thereby be added to the unit covered by Certification No. 54-68 (as amended), or by the Detectives' Endowment Association, and thereby added to the unit covered by Certification 5 NYCDL No. 77.
