DECISION AND ORDER

On August 28, 1979, Civil Service Technical Guild, Local 375, AFSCME, AFL-CIO, filed a petition (RU-720-79), seeking to add various Engineering Intern and Architect Intern titles to Certification No. 26-78 (as previously amended), covering various engineering, scientific, and related titles. The City's Office of Municipal Labor Relations (OMLR) objected to that portion of the petition which concerned the titles of Architect Intern and Landscape Architect Intern, contending that these titles did not exist. Petitioner replied that application had been made to the Personnel Department of the City of New York to create these titles and requested "that certification proceedings relating to [the] latter two titles be severed and held in abeyance until such time as Department of Personnel action is finalized."

Our investigation showed that proposals for establishment of the disputed titles were under study by several City agencies. Accordingly we granted that portion of the petition

which concerned the Engineering Intern titles and severed the remainder of the petition "in order to allow a reasonable time for such action to be taken." (Decision No. 26-79).

The City Personnel Director, on February 20, 1980, adopted Resolution No.80-5, classifying the titles of Architectural Intern and Landscape Architectural Intern. Accordingly, we shall now grant the remainder of the petition.

O R D E R

NOW, THEREFORE, pursuant to the powers vested in the Board of Certification by the New York City Collective Bargaining Law, it is hereby

ORDERED that Certification No. 26-78 (as previously amended) be, and the same hereby is, further amended to include the titles of Architectural Intern and Landscape Architectural Intern, subject to existing contracts, if any.
