ORDER AMENDING CERTIFICATION

On July 9, 2010, District Council 37, AFSCME, AFL-CIO (“Union”) filed a petition to add the title Hemodialysis Patient Care Technician (Title Code No. 039840) to Certification No. 16-2007, a bargaining unit that includes titles such as Patient Care Technician and Respiratory Therapy Technician.

Notice of this petition was given to the public and the New York City Health and Hospitals Corporation, and no objections or responses were filed. The Board of Certification is satisfied that no evidence was presented to rebut the Union’s assertion that Hemodialysis Patient Care Technicians have a sufficient community of interest with the members of the certified bargaining unit.

NOW, THEREFORE, pursuant to the powers vested in the Board of Certification by the New York City Collective Bargaining Law (New York City Administrative Code, Title 12, Chapter 3), it is hereby

ORDERED that Certification No. 16-2007 (as previously amended) be, and the same hereby is, further amended to add the title Hemodialysis Patient Care Technician (Title Code No. 039840).
