DECISION AND ORDER

On November 5, 1982, Municipal Guild of Radio and Television Technicians (hereinafter the Guild) and District Council 37, AFSCME, AFL-CIO (hereinafter D.C. 37) jointly requested an amendment of Certification No. 34-75 (as previously amended)\* by changing the name of the certified employee organization in order to reflect the merger of the former organization with the latter. The petition recites the circumstances of the election at which Guild members allegedly voted in favor of affiliation with D.C. 37.

In letters received in December 1982, several unit members objected to the conduct of this election and related matters. Further correspondence, statements, and exhibits were received from the same parties. At a conference held by this Office on March 10, 1983, it was agreed that another election would be held, with the technical assistance of the Director of Elections of OCB. At this election, held on April 21, 1983, a majority of the Guild members

The City's Office of Municipal Labor Relations, in a letter dated November 29, 1982, states that it has no objection to the requested change.

Therefore, we shall grant the request to amend the certification.
