DECISION NO. 6-87

THE CITY OF NEW YORK

DOCKET NO. RU-963-86

DECISION AND ORDER

On May 8, 1986 ,Doctors' Council filed a petition request-
ing the addition of the titles of Staff Physician (Correction)
and Deputy Chief Medical Examiner (O.C.M.E.) to Certification
No. 50-73 (as amended), covering some fifty medical and related
titles. The City's Office of Municipal Labor Relations opposed
this petition on the grounds that Deputy Chief Medical Examiner
was managerial and that Staff Physician (Correction) was not a
classified title and would be affected by a reorganization then
in progress of the health services of the Department of Correc-
tion.

Petitioner requested a hearing on the City's objections,
which was ordered by the Board. The hearing was adjourned at
the request of the parties in order to permit them to arrive
at a settlement of this matter. The parties finally entered
into a written stipulation (later amended by exchange of letters,
to correct the nomenclature of the civil service title involved)
providing, inter alia, that Petitioner would withdraw, with
prejudice, the petition for Staff Physician (Correction) and

Deputy Chief Medical Examiner (O.C.M.E.), while the City consented to the addition of the new, Non-Competitive title of Associate Chief City Medical Examiner to Certification No. 50-73 (as amended). As this title appears to be a successor to the Competitive title of Associate Medical Examiner (O.C.M.E.), which is included in the cited Certification, the Board approves the stipulation.

O R D E R

NOW, THEREFORE, pursuant to the powers vested in the Board of Certification by the New York City Collective Bargaining Law, it is hereby

ORDERED that Certification No. 50-73 (as previously amended) be, and the same hereby is, further amended to include the title of Associate Chief City Medical Examiner, subject to existing contracts, if any.
