DECISION AND ORDER

Allied Building Inspectors, Local Union No. 211, I.U.O.E., AFL-CIO, herein called Petitioner, filed an application to transfer to Petitioner two certifications previously issued to Association of Building Inspectors as collective bargaining representative of (a) various supervisory titles in the Building and Construction Inspection and the Public Health and Safety Inspectional Occupational Groups, and their Rule X equivalents (Decision No.34-69); and (b) various non-supervisory titles in the same Groups and their Rule X equivalents (Decision No.21-70).

It appears, from our investigation, that the affiliation of Association of Building inspectors with Petitioner was duly approved at a meeting of the in membership of that union, and the affiliation has been completed. Accordingly, the application to transfer the certifications will be granted.
