ORDER AMENDING CERTIFICATION

On November 13, 2001, District Council 37, AFSCME, AFL-CIO (“Petitioner”) filed a Motion to Amend Certification pursuant to §1-02(v) of the Rules of the Office of Collective Bargaining (Rules of the City of New York, Title 61, Chapter 1), requesting to add the title Telephone Service Technician (Title Code 92590) to its Certification No. 38B-78. Petitioner represents the titles lock technician, maintainer, traffic device maintainer, elevator operator, and water plant operator, among others, in Cert. No. 38B-78.

Notice of this petition was given to the public and all interested parties – including the City -- and no objections were filed. Upon investigation, the Board is satisfied that no evidence was presented to rebut Petitioner’s assertion that the new title – Telephone Service Technicians – has a sufficient community of interest with persons who are already members of the certified bargaining unit. In addition, the City did not file a response to the petition or object to the inclusion of this title in the bargaining unit represented in Cert. No.38B-78.

Decision No. 1-2002

NOW, THEREFORE, pursuant to the powers vested in the Board of Certification by the New York City Collective Bargaining Law- New York City Administrative Code, Chapter 3, §§12-301 et seq., it is hereby

ORDERED that Certification No. 38B-78 (as previously amended) be, and the same hereby is, further amended to add the title, Telephone Service Technician (Title Code 92590), subject to existing contracts, if any.
