ORDER AMENDING CERTIFICATION

On August 3, 2007, the Civil Service Technical Guild, Local 375, District Council 37, AFSCME, AFL-CIO (“Union”) filed a petition pursuant to § 1-02(u) of the Rules of the Office of Collective Bargaining (Rules of the City of New York, Title 61, Chapter 1) requesting that the title Marine Electronics Technician (Title Code No. 06753) be accreted to Certification No. 26-78, a bargaining unit that includes such titles as Telemetric Systems Specialist and Associate Engineering Technician.

Notice of this petition was given to the City of New York and the public, and no objections

were filed. The Board of Certification is satisfied that no evidence was presented to rebut the Union's assertion that Marine Electronics Technicians have a sufficient community of interest with the members of the certified bargaining unit.

NOW, THEREFORE, pursuant to the powers vested in the Board of Certification by the New York City Collective Bargaining Law (New York City Administrative Code, Title 12, Chapter 3), it is hereby

ORDERED that Certification No. 26-78 (as previously amended) be, and the same hereby is, further amended to add the title Marine Electronics Technician (Title Code No. 06753), subject to existing contracts, if any.
