ORDER AMENDING CERTIFICATION

On October 26, 2006, the City of New York ("City") filed two petitions, subsequently consolidated, to amend Certification No. 26-78, a bargaining unit represented by Local 375, Civil Service Technical Guild, District Council 37, AFSCME, AFL-CIO ("Union"), to delete the titles Assistant Space Analyst (Title Code No. 80181) and Associate Space Analyst (Title Code No. 80183) and to add the title Space Analyst (Title Code No. 80184) Levels I and II to reflect the reclassification of these titles. Notice of this petition was given to the public and the Union, and no

objections or responses were filed.

Our investigation shows that there are incumbents currently serving in the Assistant Space Analyst and Associate Space Analyst titles. In order not to deprive these employees of union representation, the titles will be deleted upon notification from the City that the titles are vacant.

NOW, THEREFORE, pursuant to the powers vested in the Board of Certification by the New York City Collective Bargaining Law (New York City Administrative Code, Title 12, Chapter 3), it is hereby

ORDERED that Certification No. 26-78 (as previously amended) be, and the same hereby is, further amended to add the title Space Analyst (Title Code No. 80184) Levels I and II, subject to existing contracts, if any; and it is further

ORDERED that Certification No. 26-78 (as previously amended) be further amended to delete the titles Assistant Space Analyst (Title Code No. 80181) and Associate Space Analyst (Title Code No. 80183) when those titles become vacant.
