**ORDER AMENDING CERTIFICATION**

On December 13, 2006, the New York City Health and Hospitals Corporation ("HHC") filed a petition to amend Certification No. 66-78, a bargaining unit represented by Local 1199, National Health and Human Services Union, Service Employees International Union ("Union"), to delete the title Associate Pharmacist, Level I (Title Code No. 985110), Level II (Title Code No. 985120), Level III (Title Code No. 985130), and Level IV (Title Code 985140) and to add the title Health System Pharmacist, Level I (Title Code No. 930010), Level II (Title Code No. 930020), and Level III (Title Code No. 930030) to reflect the reclassification of these titles. Notice of this petition was

given to the public and the Union, and no objections or responses were filed.

Our investigation shows that there are incumbents currently serving in the Associate Pharmacist title. In order not to deprive these employees of union representation, the title will be deleted upon notification from HHC that the title is vacant.

NOW, THEREFORE, pursuant to the powers vested in the Board of Certification by the New York City Collective Bargaining Law (New York City Administrative Code, Title 12, Chapter 3), it is hereby

ORDERED that Certification No. 66-78 (as previously amended) be, and the same hereby is, further amended to add the title Health System Pharmacist, Level I (Title Code No. 930010), Level II (Title Code No. 930020), and Level III (Title Code No. 930030), subject to existing contracts, if any; and it is further

ORDERED that Certification No. 66-78 (as previously amended) be further amended to delete the title Associate Pharmacist, Level I (Title Code No. 985110), Level II (Title Code No. 985120), Level III (Title Code No. 985130), and Level IV (Title Code 985140) when that title becomes vacant.
