ORDER AMENDING CERTIFICATION

On July 26, 2019, Service Employees' International Union, Local 621 ("Union") filed a petition, docketed as AC-1666-19, requesting that employees in the title Assistant Commissioner (FD) (Title Code No. 95039) be added to Certification No. 55-70, the Supervisor of Mechanics (M.E.) bargaining unit. On June 8, 2020, the parties signed a stipulation of settlement in which they agreed that the City would establish the title Executive Director of Fleet Operations (FD) (Title Code No. 9503B) and the Union agreed to withdraw its petition with prejudice as to the Assistant Commissioner (FD) title except

for positions in the Division of Fleet Operations. The parties agreed that the Executive Director of Fleet Operations (FD) title is eligible for collective bargaining and that Mark Aronberg, the incumbent Assistant Commissioner (FD) in the Division of Fleet Operations, will be moved to the newly created title and given the in-house position of Executive Director. The parties jointly requested that the Board of Certification add the Executive Director of Fleet Operations (FD) title to the Union's bargaining unit.

NOW, THEREFORE, pursuant to the powers vested in the Board of Certification by the New York City Collective Bargaining Law (New York City Administrative Code, Title 12, Chapter 3), it is hereby

ORDERED that Certification No. 55-70 (as previously amended) be, and the same hereby is, further amended to add the title Executive Director of Fleet Operations (FD) (Title Code No. 9503B).
